

HIPAA COMPLIANCE SOLUTIONS

POWERED BY INDUSTRY EXPERTS • DRIVEN BY CLIENT SUCCESS

RISKS OF HIPAA NON-COMPLIANCE TO YOUR ORGANIZATION.

- **Financial** - Civil penalties for non-compliance range from \$50,000 - \$1,500,000 per violation.
- **Legal** - Criminal penalties for non-compliance could result in up to 10 years of imprisonment.
- **Reputation** - Patients, customers, and partners lose trust in your ability to protect data.
- **Inability to recover** - Breaches could result in loss of critical patient data.
- **Audit or breach** - Office of Civil Rights (OCR) could audit HIPAA compliance at any time or your business could be listed publicly as being under investigation.

WHO MUST BE HIPAA COMPLIANT?

- HIPAA security rules apply to covered entities and business associates which include:
 - Covered entities - Healthcare providers or healthcare plan providers such as doctors, clinics, psychologists, dentists, chiropractors, nursing homes, pharmacies, health insurance companies, company health plans.
 - Business associates - CPA, attorney, IT providers, billing and coding services, laboratories

WHY DO I NEED A QUALITY CYBERSECURITY PARTNER?

- An expert HIPAA cybersecurity partner can simplify the complexity of HIPAA compliance requirements and provide additional independent assurance of compliance.
- Experience and certifications in performing HIPAA or HITRUST gap assessments relieves the burden of you having to be an expert in the regulations and their ongoing changes.
- A cybersecurity partner can provide efficiencies and best practices.
- Experts can ensure scoping is done properly so budgets, time, and resources are not wasted.
